

SUPERPEERS ENRICHMENT PROGRAM

Get ready to expand the natural leadership, empathetic, and problem-solving nature of your child! 2e4MΣ Academy offers a SuperPeers extracurricular program to grow your child's ability to think, speak, and connect with others.

The Details

This program is perfect for children ages 8-15 who are flexible, calm, eager to help others, and want additional enrichment including a rotating selection of chess, coding, art, music, and sports classes. Play alongside twice-exceptional (gifted + neurodivergent) children to build confidence, learn to set healthy boundaries, and gain enrichment experiences.

2025 Summer Session:
DAILY, 9AM-2PM

Classes offered by a variety of established educational/extracurricular providers; supervision provided by founder, Lamis Jabri, MD, ABPN using the Collaborative & Proactive Solutions™ Program. Certificates of completion available upon program end.

Summer schedule TBD; please check our website for additional details.
